Today I opened wide my eyes, and stared with wonder and surprise, to see beneath November skies an apple blossom peer; Upon a branch as bleak as night, it gleamed exultant on my sight, a fairy beacon burning bright, of hope and cheer. "Alas!" said I, "poor foolish thing, have you mistaken this for Spring? Behold, the thrush has taken wing, and Winter's near. "Serene it seemed to lift its head: "The Winter's wrath I do not dread, because I am," it proudly said, "A Pioneer.

Celebrating Thanksgiving November 22nd

"I do therefore invite my fellow citizens in every part of the United States, and also those who are at sea and those who are sojourning in foreign lands, to set apart and observe the last Thursday of November next, as a day of Thanksgiving and Praise to our beneficent Father who dwelleth in the Heavens. And I recommend to them that while offering up the ascriptions justly due to Him for such singular deliverances and blessings, they do also, with humble penitence for our national perverseness and disobedience, commend to His tender care all those who have become widows, orphans, mourners or sufferers in the lamentable civil strife in which we are unavoidably engaged, and fervently implore the interposition of the Almighty Hand to heal the wounds of the nation and to restore it as soon as may be consistent with the Divine purposes to the full enjoyment of peace, harmony, tranquility and Union." - President Abraham Lincoln: Proclamation of Thanksgiving

Ground Breaking

The best of me is yet to come!
Construction has officially begun.

It is with great excitement that we announce the official groundbreaking of Mesa Valley Estates has happened and construction is well underway. Business leaders, members of the Mesquite Chamber of Commerce, and Mission Senior Living leaders and team members were all in attendance at the groundbreaking ceremony celebrating the construction of our 61,386 square-foot single-story community that will serve the growing number of older adults living in the Mesquite and Moapa Valleys, Arizona Strip and southern Utah areas.

Keep an eye on our Facebook page where we will announce the date of our 'Sneak Peek' event in the spring of 2019.

Mesa Valley Estates' MVP's

There are a number of communities offering assisted living in Nevada. But you'll find there's something different about Mesa Valley Estates ...and it isn't our well-furnished rooms nor our various amenities. It's simply six words that define our mission and impact how we care for our residents on a day-to-day basis:

Caring People, Serving People, Improving Lives.

Our mission statement guides everything from how we train our team members to how we discover—and meet—your loved one's unique needs.

Our Mission

Caring People, Serving People, Improving Lives

Values

- Respect
- Integrity
- Collaboration
- Excellence
- Transparency

Core Principles

- **SERVICE** – We will be passionate about caring for and serving our residents, their families and in seeking new residents.
- **LEADERSHIP** – We will seek to identify and train effective leaders at every level of the organization.
- **SIMPLICITY** – We will focus on the fundamentals.
- **IMPROVEMENT** – We will get a little better each day.
- **STEWARDSHIP** – We will be stewards of all our resources.
- **ATTITUDE** – We will enthusiastically support each other in accomplishing our mission and goals.
- **PERSEVERANCE** – We will always PRESS ON.

Genuine Culture of Service

Our culture is defined by our Mission Statement: Caring People, Serving People, Improving Lives. These six words define who we are, what we are doing, and the results that we expect.

Every Team Member, from part-time in a community to CEO, uses them to guide every decision and action that we take. We are called to a higher purpose in the business of caring for the elderly. We do not consider what we do every day a job, but rather an opportunity to make a difference in the lives of our residents.

“Three generations of my family have had the privilege of serving seniors. During that time, I have learned many lessons, and none are more important than having a clearly defined culture. Our people-centered approach requires leaders to listen to front line team members. This breaks down barriers, creates mutual accountability, builds trust and facilitates open communication. In the end, our culture creates a superior living experience for seniors.”

-Darryl Fisher, President of Mission Senior Living
